Local Code of Conduct Education Fixed Penalty Notices

Date: September 2014

1. Legal Framework

1.1. The law empowers designated Flintshire County Council (FCC)

Officers, Head Teachers, including their nominated deputies and the Police to issue Fixed Penalty Notices to the parents of children who have unauthorised absence from school.

The rules governing the implementation of these powers and the factors that should be taken into account when issuing a Fixed Penalty Notice are outlined In:

- The Education Act 1996;
- The Education (Penalty Notices) (Wales) Regulations 2013; and in addition, the issuing of Fixed Penalty Notices must comply with other relevant legislation, such as the Human Rights Act and Equal Opportunities legislation, in order to ensure that they are used in a fair and consistent manner.
- United Nations Convention on the Rights Of The Child.

1.1.1. FCC is responsible for developing a protocol with which all partners e.g. Police, neighbouring authorities, and schools e.t.c will operate within.

2. Rationale

2.1. Section 7 of the Education Act 1996 states that:

“The parent of every child of compulsory school age shall cause him to receive efficient full-time education suitable to his age, ability aptitude and to any special educational needs he may have, either by regular attendance at school or otherwise.”

2.1.1. Regular and punctual attendance at school or alternative provision is a legal requirement and is essential to enable children to maximise their educational attainments and opportunities available to them.

2.1.2. Evidence shows that children with poor attendance are unlikely to succeed academically and they are more likely to not to be in education, employment or training (NEET) when they leave school. NEET young people are likely to have a history of non attendance and persistent absences in years 10 and 11.

2.1.3. Section 444 of the Education Act 1996, makes it a criminal offence for a parent to fail to secure their child’s attendance at the school at which they are registered and where absences are not authorised by the school.

2.1.4. The definition of “parent” includes all natural parents, whether they are married or not and includes any person who, although not a natural parent, has the parental responsibility and/or care for a child or young person.

2.1.5. Targeted intervention plays a vital role in resolving issues of poor school attendance, however where this fails to have the desired effect there are a number of sanctions available to Local Authorities (LAs) to try and secure regular attendance.

2.2. Fixed Penalty Notices are one of the sanctions available for this offence and offer a means of suitable and effective intervention for improving levels of unauthorised absences, before they become entrenched and persistent absences, whilst reducing the need for lengthy and costly prosecutions.

2.2.1. Fixed Penalty Notices and other sanctions will only be used where parental co-operation with this process is either absent or deemed to be insufficient to resolve the problem. They will be used as a means to support parents to meet their legal responsibilities and only where there is a reasonable expectation that their use will secure improved school attendance.

3. Policy and Publicity.

3.1. School Attendance Policies will include information on the issuing of Fixed Penalty Notices and this will be brought to the attention of parents.

4. Monitoring and review.

FCC will evaluate the effectiveness of Fixed Penalty Notices every year and amend its general enforcement strategy as appropriate depending upon the previous year's operation. Annual reports will be made available to the Head of Service

Flintshire County Council (FCC) protocols and procedures in relation to Fixed Penalty Notices

Issue of a Penalty Notice

- A Fixed Penalty Notice can only be issued in cases of unauthorised absence;
- Use of Fixed Penalty Notice will be restricted to one notice per parent of a pupil per academic year;
- In cases where there is more than one poorly-attending pupil in a family, Notices may be issued for more than one child;
- There will be no restriction on the number of times a parent may receive a formal warning of a possible Fixed Penalty Notice.

Penalty Notices may be considered appropriate when :

The local authority will need to ensure that that this is a failure to secure 'regular attendance'.

- At least 20 sessions (10 school days) are lost due to unauthorised absence during the current term. These do not need to be consecutive;
- Persistent late arrival at school, i.e. after the register has closed, in the current term. "Persistent" means at least 10 sessions of late arrival;
- Truancy; defined as The action of staying away from school without good reason (Oxford dictionary)
- A Penalty Notice will not be issued in respect of children in LA care with whom other interventions will be used.

Considerations and Assessment as to whether a Fixed Penalty Notice should be issued

Head Teachers, their nominated deputies and Inclusion Welfare Services will take into account the following when determining whether a Fixed Penalty Notice should be issued:

- Level of absence;
- Regard to Equality and Diversity Legislation;
- Any statement of Additional Learning Needs;
- History of the attendance issues and action taken;
- Defences which may be available;
- Welsh Government (WG) Guidance;
- Likely effectiveness of Fixed Penalty Notice as a tool for obtaining compliance;
- Level of parent engagement/cooperation.

Monitoring and Review

All Fixed Penalty Notices will be entered onto a database maintained by the IWS to ensure that no duplicate Fixed Penalty Notices are issued and to evaluate the effectiveness of the process within the County.
